### About the Museum of Science & Industry (MOSI)

MOSI is a not-for-profit, community-based institution and educational resource dedicated to advancing public interest, knowledge, and understanding of science, industry, and technology. With a total size of over 300,000 square feet, MOSI is the largest science center in the southeastern United States, and home of the only IMAX<sup>®</sup> *Dome* Theatre in the state of Florida. Kids In Charge! The Children's Science Center at MOSI is the *largest* children's science center in the nation. *Disasterville*, featuring *WeatherQuest*, MOSI's newest permanent exhibition combines education and 10,000 square feet of interactive exhibits on the remarkable science behind natural disasters.
