## **MOSI IS A 2021 BLUE STAR MUSEUM**

### **Museum Of Science and Industry - MOSI to offer free admission to military personnel and their families this summer**

Tampa, FL – MOSI announced it will join museums nationwide in the Blue Star Museums initiative, a program that provides free admission to currently-serving U.S. military personnel and their families this summer. The 2021 program will begin on Armed Forces Day, Saturday, May 15, 2021, and end on Labor Day, Monday, September 6, 2021. Find the list of participating museums at [arts.gov/bluestarmuseums](https://arts.gov/bluestarmuseums).

Blue Star Museums is an initiative of the National Endowment for the Arts in collaboration with Blue Star Families, the Department of Defense, and participating museums nationwide.

“Like the resilience that military families demonstrate time and again, MOSI is an example of resiliency in the arts sector over the past year,” said Ann Eilers, acting chairman of the National Endowment for the Arts. “We are grateful to MOSI for leadership in strengthening community through participation in the Blue Star Museums program this summer. This is the 4<sup>th</sup> year they will be participating, and even though the program was suspended last year due to the COVID-19 pandemic, MOSI continued honoring the free admission for Blue Star Families in 2020 on their own.”

Blue Star Museums include children’s museums, art, science, and history museums, zoos, gardens, lighthouses, and more, and hail from all 50 states, as well as the District of Columbia, Puerto Rico, and the U.S. Virgin Islands. The current list of participating museums will continue to develop over the summer as organizations are welcome to register to be a Blue Star Museum throughout the summer.

“We are thrilled to celebrate the launch of the Blue Star Museums 2021 program! Thank you to MOSI for participating in this impactful and highly anticipated program,” said Kathy Roth Douquet, CEO Blue Star Families. “Because of MOSI and their counterparts in the arts community, military families have the opportunity to create special memories and experience the arts again!”

The free admission program is available for those currently-serving in the United States Military—Army, Navy, Air Force, Marine Corps, Coast Guard as well as members of the Reserves, National Guard, U.S. Public Health Commissioned Corps, NOAA Commissioned Corps, and up to five family members. Qualified members must show a Geneva Convention common access card (CAC), DD Form 1173 ID card (Dependent ID), or a DD Form 1173-1 ID card for entrance into a participating Blue Star Museum.

MOSI is a 501(c)(3) non-profit, community-based institution and educational resource that is dedicated to advancing public interest, knowledge, and understanding of science, industry, and technology. MOSI's core ideology is to be the intersection of science, technology and innovation in the Tampa Bay region where conversations and learning happen, knowledge is exchanged and new ideas are celebrated.
