THE MUSEUM OF SCIENCE AND INDUSTRY (MOSI) CELEBRATES FIRST ANNUAL TAMPA BAY WATER DAYS!

TAMPA, Fla. (March 17, 2022) – For the first time, MOSI will hold a Tampa Bay Water Days event on Friday, March 25th and Saturday, March 26th from 10am – 3pm for the Tampa Bay Community in partnership with the Tampa Bay Regional Planning Council and Tampa Bay Water. Friday’s programming will focus on serving 3rd – 5th grade students. Saturday’s programs will focus on serving the general public, scouting organizations and homeschool groups. The first 1,000 people to register will also get free admission into MOSI. The link for pre-registration is [Tampa Bay Water Days | Museum of Science and Industry \(mosi.org\)](https://www.mosi.org/tampa-bay-water-days).

Tampa Bay Water Days 2022 is a community event organized by MOSI, to celebrate water conservation, storm water management, and environmental stewardship. MOSI invites guests to explore the MOSI Backwoods, learn about local resources and participate in hands-on environmental science activities with MOSI educators as well as many community organizations.

Exhibitors include, but are not limited to: MOSI Education, Tampa Bay Water, Southwest Florida Water Management District, The Florida Aquarium, USF, Hillsborough County Parks Services, Clearwater Marine Aquarium, City of Tampa Water Department and Solid Waste Department, UF/IFAS 4-H, Florida Native Plant Society, TECO, SCUBAnauts International, Pinellas County Utilities and Public Works and more!

MOSI is a 501(c)(3) non-profit, community-based institution and educational resource. For 60 years, The Museum of Science & Industry (MOSI) has been offering programs to all in the Tampa Bay community that focus on a variety of science, technology, engineering, arts, and mathematics. MOSI is located at 4801 E. Fowler Avenue, Tampa, FL 33617
