“May the 4th be with you” Star Wars Members Event Held at MOSI

TAMPA - The Museum of Science and Industry (MOSI) is hosting a Star Wars themed event on Thursday to celebrate the unofficial holiday, May the 4th.

From 5:30 to 7:30 p.m. members can participate in activities such as watching a replica Super Star Destroyer explode, and meeting and taking photos with characters from the costuming group, 501st Legion.

There are also more hands-on experiences such as trivia, droid obstacles and a build a ship from toothpicks contest. Prizes will be given to the best ship creations.

"Star Wars captured the imaginations of people of all ages and inspired us to learn more about space and science. I think it's important to celebrate that and keep the spirit of exploration alive," says Janet White, MOSI's Director of Education

The festivities are inclusive for people of every age. Guests are encouraged to dress up as their favorite characters.

This is a free members only event, which means participants must pre-register as well as be membership holders for entry. Memberships are available to purchase [here](#).

MOSI is located at 4801 E. Fowler Ave. Tampa, Florida 33617.

For more information and media packages please contact Alexis Yahre at alexis.yahre@mosi.org or 813-504-0635.
