

SPRING BREAK CAMPS 2024

SCHOOL'S OUT, MOSI'S IN!

Program Fee - \$289 • MOSI Member Fee - \$217

School's out...MOSI's in! While parents are away, kids are playing and learning through STEAM (Science, Technology, Engineering, Art and Math) hands-on activities!

- Bring two snacks, lunch and wear clothing that can get messy.
- Camp hours are 9am - 4pm. Extended hours are available from 7am - 9am and/or 4pm - 6pm for an additional fee.

March 11 - 15, 2024 (5-Day Camp)

Itsy Bitsy Insects - Kindergarten - 1st Grade

Become a Junior Entomologist this week as you explore the world of insects! Learn about the butterfly life cycle, how insects see, and how they disguise themselves. Have you ever wondered if bugs can be helpful? Get up close and personal with bugs during this week long camp!

MOSI Mythbusters - 2nd - 4th Grade

In this tech camp, students will work in small groups to choose a science experiment, film it, and edit it in the style of Mythbusters. Students will not only get a thorough understanding of the scientific method, but they will also learn how to film and edit using iMovie.

MOSI
KEEP DISCOVERING

Minecraft Code Lab - 5th - 8th Grade

If you have ever wanted to learn coding, but feel overwhelmed and do not know where to start, this camp is for you. Take advantage of Minecraft's robust coding labs to begin to learn the basics and logic of coding. Not only will you learn a bit about coding in languages such as Python and JavaScript, but you will also gain skills to enhance your Minecraft gaming.
