

THANKSGIVING BREAK CAMPS 2023

SCHOOL'S OUT, MOSI'S IN!

There's no better place to spend your break than MOSI doing hands-on, engaging and fun STEAM (Science, Technology, Engineering, Art and Math) activities!

- Bring two snacks, lunch and wear clothing that can get messy.
- Camp hours are 9am - 4pm. Extended hours are available from 7am - 9am and/or 4pm - 6pm for an additional fee.

November 20 - 22, 2023 (3-Day Camp)

Program Fee - \$180 • MOSI Member Fee - \$135

Cretaceous Turkeys - Kindergarten - 1st Grade

Let's gobble back in time to the age of prehistoric turkeys, the dinosaurs. Create fossil prints by using ingredients found in the kitchen. Create dinosaur skin and compare it to your own. Learn what coprolite is and how paleontologists use it to determine what they ate.

Minecraft Chemistry - 2nd - 4th Grade

Have you ever wanted to make an Ice Bomb, Super Fertilizer, Glow Stick, or Balloon within Minecraft? Then this is the camp for you! Take advantage of Minecraft's robust Chemistry Lab functions to construct elements, compounds, and other products that you can use to gain an advantage during gameplay.

Thanksgiving Extravaganza - 5th - 8th Grade

Tired of the same old turkey and stuffing? Are you looking to ramp up your Thanksgiving holiday? Then, join MOSI for three days of fun as we celebrate Turkey Day. Build a catapult to launch the special bird. Experiment with cranberries and learn about the chemistry hidden within. Create a vehicle to protect a Thanksgiving dinner sent to Mars. These three days will fly by with fun.

Become a MOSI Member today and save 25% on camp fees!
