

CURIOUS KIDS

It's never too early to engage your curious preschoolers in science, technology, engineering, art and mathematics (STEAM). Feel free to join your young scientist as they make predictions, test for results, and share their findings.

- Ages 3 - 5
- Parents may accompany child in the workshop, or take a break and enjoy MOSI
- Program is in the Center for Learning from 10:00am – 11:30am
- Monthly themes connected to literature with hands-on activities
- Pre-registration and payment are required at least two weeks in advance
- **Program fee:** \$15 per program
- **MOSI member:** \$9 per program

Let the Force Be With You **September 11, 2024**

Forces are all around us and affect everything we do! Join us as we investigate the types of science you cannot see like gravity, static electricity, and magnetism.

Space Invaders **October 2, 2024**

Prepare to blast off and explore the Milky Way Galaxy! Use your imaginations to soar through the stars and for the last half hour of class visit the Saunders Planetarium to explore the night sky!

Ouch! **November 6, 2024**

Did you know your body is at war 24 hours a day, 7 days a week? Experiment with ways your body works to heal itself...even if it is gross! Also explore your five senses.

Agent MOSI **December 4, 2024**

Discover the secret message that may take you to a hidden mystery. Check out fingerprints and other things to help you solve the mystery!

I'll Blow Your House Down **January 8, 2025**

Buildings and bridges and towers so tall! Use LEGO™ and household items to explore the tools and techniques needed to make a strong structure that will stand up to an earthquake and hurricane test!

What Goes Up... **February 5, 2025**

Discover the science of flight. Feel the wind and challenge of design and building flying machines. Apply Bernoulli's principle as you test pilot a variety of flying contraptions.

Slimy Matter **March 5, 2025**

Investigate solids, liquids and gases. Create foaming mixtures and solutions by combining common ingredients together to create something new and exciting.

Earth Warriors **April 2, 2025**

Happy Earth Day! Make earth friendly products and ways to make the world a better place!
