

Sky Trail® Ropes Course Requirements and Restrictions:

Please review the guidelines listed below pertaining to group reservations for the Ropes Course.

**In order to be eligible for the discounted group pricing, the Ropes Course must be reserved at least 2 weeks in advance and for a minimum of 15 participants.*

- **Waivers:** All minors are required to have a waiver completed and hand-signed by their parent or legal guardian in order to participate. This can not be a chaperone, babysitter, teacher, etc. Waivers may be downloaded from the **MOSI website**, completed in advance and presented to the Ropes Course Staff when checking-in. A PDF version will also be sent to you with your booking confirmation. Adults wishing to participate will be required to sign an **adult waiver**.
- **Height requirements:** Children must be at least 42" tall to participate one-on-one with an adult or at least 48" tall to participate on their own. Any accompanying adults will be required to purchase a ticket to participate.
- **Attire requirements:** All participants must be wearing closed, secured, or athletic footwear. No wheelies, flip-flops, or open-heel shoes are allowed.
- **Number of participants:** During the school year, the Ropes Course is typically open Fridays, Saturdays and Sundays. If you are booking a day of the week when the Course is already open, then there is a minimum of 15 participants required to book a time slot and receive the discounted pricing for your group.

If a group is looking to reserve a date that the Course is not expected to be open (Monday - Thursday), there is a minimum of 50 participants (or a \$250 flat fee) to open the Course for a group.

The maximum number of people that the Ropes Course can accommodate per hour is 20. Larger groups will be split up across multiple time slots.

- **Weather conditions:** Due to the outdoor nature of the structure, the Ropes Course is weather dependent. When possible, the Reservations Team will inform the group contact in advance of weather concerns. Should inclement weather result in the Course having to close between payment being made and guests being able to participate, unused admissions will be refunded.
