

THANKSGIVING BREAK CAMPS 2025

SCHOOL'S OUT, MOSI'S IN!

Keep the learning and fun going on school break days with hands-on activities, science experiments and creative adventures your kids will love!

- Bring two snacks, lunch, and wear clothing that can get messy.
- Camp hours are 9am – 4pm. Extended hours are available from 7am – 9pm and/or 4pm – 6pm for an additional \$15/\$20 per week. **There is no extended care on 12/24 or 12/31.**

November 24 – 26, 2025 (3-Day Camp)

Program Fee - \$199 • MOSI Member Fee - \$160

Engineering Extravaganza - Kindergarten – 1st Grade

Get ready to build, design, and discover in this exciting hands-on adventure all about engineering! Over three fun-filled days, young engineers will explore the world of building and problem solving through exciting challenges and creative projects. With plenty of teamwork, tinkering, and trial-and-error, this camp encourages kids to explore how things work and why. Each day features new activities, experiments, and creations—making this the ultimate extravaganza for curious builders!

Turkey Tales - 2nd – 4th Grade

Join us for a goblin' good time at Turkey Tales! Campers will explore science and creativity with a turkey wing dissection, launch their own turkey catapults, sail aqua foil boats, and make cranberries dance in a fizzy chemistry experiment. Three days of hands-on fun, laughter, and Thanksgiving cheer await!

Video Game Workshop - 5th – 8th Grade

Level up your creativity in this exciting camp where technology meets imagination! Step into the role of game designers as you create characters, learn the basics of coding, add animations, and design levels for players to conquer. At the end of camp you'll get to take home your video game creations so you can share the fun with friends and family! No programming experience necessary.
