

SPRING BREAK CAMPS 2026

SCHOOL'S OUT, MOSI'S IN!

Keep the learning and fun going on school break days with hands-on activities, science experiments and creative adventures your kids will love!

- Bring two snacks, lunch, and wear clothing that can get messy.
- Camp hours are 9am – 4pm. Extended hours are available from 7am – 9pm and/or 4pm – 6pm for an additional \$15/\$20 per week.

March 16th – 20th, 2026 (5-Day Camp)

Program Fee - \$199 • MOSI Member Fee - \$160

Spring into Bugs - Kindergarten – 1st Grade

Creep, crawl, buzz, and flutter your way into the amazing world of insects! In this fun-filled weeklong camp, young scientists will explore the fascinating lives of bugs through hands-on experiments, games, and creative activities. Campers will discover how ants build their colonies, how butterflies transform, how bees help our world, and why beetles are nature's tiny superheroes. Each day brings new opportunities to observe insects up close, design bug-inspired creations, and even try out engineering challenges inspired by the incredible skills of bugs. With plenty of outdoor exploration, science investigations, and buggy crafts, campers will gain a new appreciation for the tiny creatures that play a big role in our world. This camp is the perfect blend of science and fun for curious kids who love to explore!

MOSI
KEEP DISCOVERING

STEAM into Spring Break! - 2nd – 4th Grade

Celebrate Spring Break with five days of hands-on science fun! Campers will mix up colorful **rainbow slime**, build a working **paper wind turbine** and **anemometer**, and experiment with the natural pigments in **red flowers**. We'll get creative with **galaxy art** and then put engineering skills to the test by designing and landing a safe **lunar lander**. Join us for a week full of color, creativity, and STEM adventures!

Minecraft: Spring Adventures - 5th – 8th Grade

Dig into creativity this spring in our Minecraft Camp! Students will team up in virtual worlds to explore, build, and problem-solve through exciting spring-themed challenges. Whether you're a seasoned Minecraft player or just starting out, get ready for a week full of adventure, creativity, and springtime fun!
