

MOSI SCHOOL BREAK CAMPS

Make the most of your school break with hands-on STEAM fun at MOSI! Campers will explore, create, experiment, and discover through exciting and fun activities!

- Bring two snacks, lunch, and wear clothing that can get messy.
- Make the most of your school break with hands-on STEAM fun at MOSI! Campers will explore, create, experiment, and discover through exciting and fun activities!

Thanksgiving Break Camps

November 23rd – 25th, 2026 (3-Day Camp)

Program Fee - \$199 • MOSI Member Fee - \$160

Little Engineers - Kindergarten – 1st Grade

Get ready to build, create, and solve! Campers will become little engineers as they explore how things work through hands-on building challenges, creative projects, experiments, and problem-solving activities. From designing structures to testing their creations, campers will use their imagination and engineering skills to tackle fun STEM challenges.

Flight Academy - 2nd – 4th Grade

Prepare for takeoff! Campers will explore the science of flight through exciting hands-on experiments, building challenges, and aviation-inspired activities. They'll discover how airplanes fly, investigate forces like lift and drag, and design and test their own flying creations. It's a week of soaring STEM fun!

Minecraft Engineering - 5th – 8th Grade

Build, create, and engineer! Inspired by the world of Minecraft, campers will take on real-world STEM challenges involving engineering, design, problem-solving, and creativity. Campers will design structures, test materials, tackle challenges, and use Minecraft-inspired thinking to turn ideas into reality.
