

Winter Break Camps

Week 1 - December 21st – 23rd, 2026 (3-Day Camp)

Program Fee - \$199 • MOSI Member Fee - \$160

Superhero Science - Kindergarten – 1st Grade

Calling all superheroes! Campers will discover the science behind their favorite superpowers through fun experiments, creative challenges, and hands-on activities. From exploring forces and motion to designing their own superhero gear, young scientists will use STEM skills to solve challenges and become science superheroes!

Mission to Space - 2nd – 4th Grade

3...2...1...Blast off! Campers will explore the wonders of space through hands-on experiments, exciting challenges, and out-of-this-world activities. They'll investigate planets, stars, rockets, and the science of space travel while taking on missions designed to inspire their inner astronaut.

Game On! STEM and Gaming - 5th – 8th

Level up your STEM skills! Campers will explore the science, technology, and creativity behind gaming through hands-on challenges and game-inspired activities. From game design and strategy to coding, engineering, and problem-solving, campers will discover how STEM brings their favorite games to life.

Week 2 - December 28th – 30th, 2026 (3-Day Camp)

Program Fee - \$199 • MOSI Member Fee - \$160

Winter Wonderland Science - Kindergarten – 1st Grade

Step into a winter wonderland of science! Campers will explore the science of snow, ice, cold weather, and winter fun through hands-on experiments, creative projects, and exciting STEM challenges. From making frosty creations to discovering how ice and snow behave, young scientists will have a blast exploring the science of winter!

Inventors Workshop - 2nd – 4th Grade

Calling all young inventors! Campers will dream up ideas, build prototypes, test their creations, and solve fun engineering challenges. Through hands-on projects and creative problem-solving, campers will discover that great inventions start with curiosity, imagination, and a willingness to try, test, and improve.

Digital Creators Lab - 5th – 8th Grade

Turn your ideas into digital creations! Campers will explore the exciting world of digital art and design while learning how technology can transform imagination into something they can share. Through creative projects, campers will experiment with digital illustration, graphic design, animation, and other digital tools while developing their own unique creative style.
