A Night of Spooky Science and Halloween Fun for All Ages

Media invited to preview MOSI's spooky lineup of creepy creations, science demonstrations, and more on Oct. 15 at 10:30 a.m. Details Below

TAMPA, FL (October 13, 2026) – MOSI, Tampa's Museum of Science & Innovation, is cooking up a night of science, surprises, and plenty of tricks and treats. Spooktacular Science returns Saturday, Oct. 17, bringing an evening of interactive activities and Halloween fun to the community.

Mix up some science at the Potions Lab, create your own Monster Muck, then watch a little magic happen with liquid nitrogen ice cream. Plus, experience Phantom Flight in the Drone Zone and enjoy interactive demonstrations that are guaranteed to bring some hair-raising science to life.

There will be plenty of Halloween fun throughout the evening, including creepy candy stations, balloon artists, face painting, and live entertainment from a magician. Families can also head into the Holloway Digital Dome Theatre, home to the Saunders Planetarium, for a special Halloween-themed experience.

Spooktacular Science takes place from 6-9 p.m. on Saturday, Oct. 17 and is open to all ages.

Tickets are \$30 for adults ages 18 and older and \$20 for children ages 17 and under. MOSI members receive \$5 off admission.

For tickets and complete event details, visit [MOSI.org](https://www.mosi.org).

MEDIA INVITED FOR EVENT PREVIEW

WHAT

Put Your Flying Skills to the Test with Phantom Flight
Witness hair-raising science experiments
Make Monster Muck

WHO

MOSI's Education Team Members

Media members are encouraged to attend; please RSVP to [Hannah Webster](#).

About MOSI, Tampa's Museum of Science & Innovation

MOSI is Tampa Bay's center of science and innovation, located in North Tampa at 4801 E. Fowler Ave.

Welcome to the Museum of Science & Innovation, where the wonders of science come to life. We are a hands-on science center dedicated to interactive learning, inspiration, and discovery. As the home of engaging permanent and rotating exhibits, out-of-this-world programming, and the immersive Holloway Digital Dome Theatre, home of the Saunders Planetarium—the second largest planetarium in the United States—MOSI makes science and technology accessible to all. Come join us on a journey of discovery and unlock the mysteries of the world around us. Learn more at [mosi.org](https://www.mosi.org).
